Celebrating 40 years...

Eton Travel - one of the best kept secrets in Berkshire!

As one of the leading independent travel companies in the Thames Valley, the business that started in 1969 now employs 90 staff over five locations and covers all aspects of travel.

Corporate travel represents around two thirds of Eton Travel's business with group travel, conference, events and leisure travel making up the remaining third. Managing Director Ken Thompson said 'As an independent travel company we are passionate about our business and we take a pride in our customer service. As a member of the American Express Network, we have the benefit of their buying power available to our clients thus offering the most competitive air fares and hotel rates to be obtained. Our corporate clients receive all the benefits of modern technology coupled with exceptional customer service and the best available deals for their travel needs. We are regularly organising large groups of people travelling to the four corners of the world.'

Detonate, a trading name of Eton Travel is our department providing a dedicated team of highly motivated and experienced staff to meet the needs of the music and entertainment world.

Touring Sport, our latest acquisition, organises sporting trips for schools, colleges and sports clubs, taking care of all their travel arrangements and detailed itineraries from start to finish.
